

## SCHOLARSHIP APPLICATION

This scholarship is provided by a donation from a supportive vendor to the association activities. A \$500 dollar award is provided to enable an employee in Admissions and Records an opportunity to attend the annual meeting for professional development when that opportunity might not otherwise have been available. The funds will be applied to the cost of conference fees and lodging. The recipient of the scholarship must be able to pay the remaining costs of attending. Please supply the following information to apply for the scholarship.
