CCC Systemwide Initiatives
Education Planning Initiative

CCCCO Admission and Records
New Director’s Briefing

Presented by:
Victor DeVore, San Diego Community College District
Rachel Stamm, CCC Technology Center

Sept 13, 2016
Introductions

• Victor DeVore
  • EPI Steering Committee Co-Chair – Year four of operations, Oversee 8 steering committees
  • Day Job: San Diego CCD, Student Services Analyst, PeopleSoft implementation, SSSP supporting technologies across the District

• Rachel Stamm
  • Transcript, Articulation, and Curriculum Program Manager for EPI
  • Nation-wide perspective on tools and standards
Learning Objectives

• What problems are we solving?
  – Common view of challenges facing students on their educational journey

• How are we solving these problems?
  – Availability of supportive toolsets and programs to promote student success
Education Planning Initiative

• *Student Success Task Force* found problems with support provided to students

• Recommendation 2.2
  – Students must develop an education plan, new modes of service delivery needed

• Recommendation 2.3
  – Centralized and integrated technologies to better guide and support students needed
I took classes I didn’t need!

I can’t go to school today because my babysitter is sick!

The course was full or not available!

I can’t ever get time with my counselor or instructor!

I changed my major – now major problems!

Finish? No idea!

**Student-centric Problem Solving...**
# EPI Toolsets – Key Features

Transform business processes, remove barriers, with integrated statewide toolsets:

<table>
<thead>
<tr>
<th>Toolset</th>
<th>Feature</th>
</tr>
</thead>
<tbody>
<tr>
