

Evaluator Training Workshops

Come learn about the latest tools, promising practices and models available to assist Evaluators in their positions!

General Information

IEPI, in collaboration with the California Association of Community College Registrars and Admissions Officers (CACCRAO), and with the support of the CCCCO's Student Services Division staff, plan to offer a one-day workshop for evaluators in both the north and south. Consistent transcript evaluations and degree audits are vital to the education planning necessary not only for student success goals related to transfer and completion, but also to improve college operations such as enrollment management. Evaluators are encouraged to attend to hear the latest on topics including Transfer/ADTs, Credit by Exam, Out of State Transcripts and Exemplary Practices.

Workshop Schedule/Registration/Cost

Registration is required through Eventbrite. There is a \$50 per-person registration fee for attending. Registration includes morning beverages and pastries, as well as lunch. Participants are responsible for travel and any parking costs. This one-day workshop is tentatively scheduled from 9:00 am - 3:00 pm.
