# A&R Justice League: Leaping in to SAVE the Day!

Sunday, March 24 - Wednesday, March 27, 2024 Sacramento, CA - Hyatt Regency - Sacramento

11:00 am - 12:00 pm	<b>Vendor Workshops</b>	
	<b>Regency D</b>	<b>Parchment:</b> We help learners, academic institutions, and employers request, verify, and receive transcripts, diplomas, and other credentials through a comprehensive platform.
	<b>Regency E</b>	<b>SoftDocs:</b> Are your Registrar and Admissions officers still operating with paper-based inefficiencies and disconnected processes? What if your department could implement greater agility and create easier processes for both students and staff while supporting the trusted campus systems you already have deployed?  The right document management and automated workflow solution can empower your staff to easily handle high volumes of forms, digital signatures, and process steps. The result? Less tedious back and forth, increased access, faster turnaround on student requests and applications, and a much more secure home for your data than filing cabinets.
	<b>Regency F</b>	<b>Paradigm:</b> Discover how our tailored solutions streamline diploma management, data extraction, and digital credential services for registrar offices. We'll share insights on our unique presentation products, our system's seamless integration with SIS, and how we've simplified processes for diverse institutions.
	<b>Carmel</b>	<b>Berger-Levrault:</b> Berger-Levrault's flexible, scalable software solutions are designed to facilitate planning of schedules for students, and teaching and administrative teams, while ensuring effective use of your material and financial resources.
